BEAUTY CULTURE

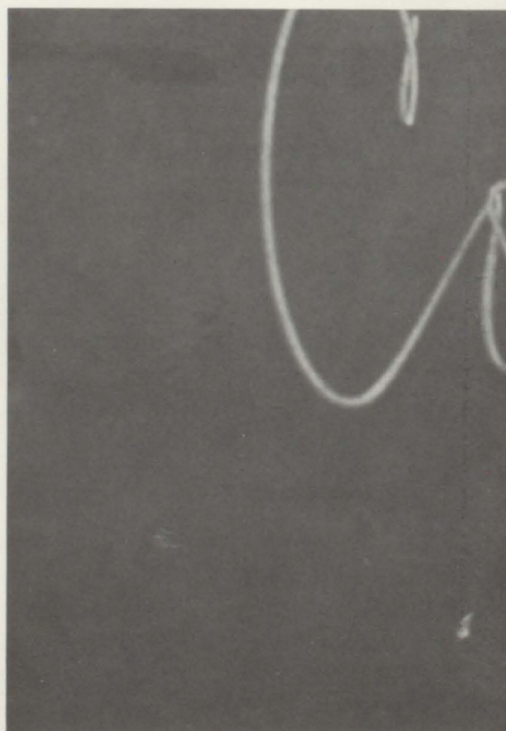

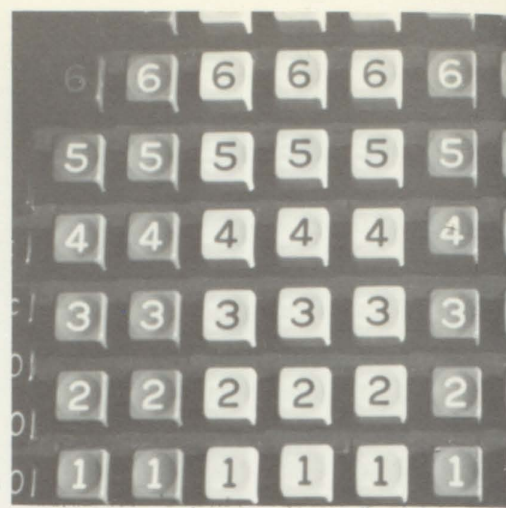

Our future beauticians practice their skills with great ambition and determination. With four periods of shop a day, the B.C. girls even prepare their own creams! From pincurls in their Sophomore year to high styling in their Senior year, each technique is perfected.

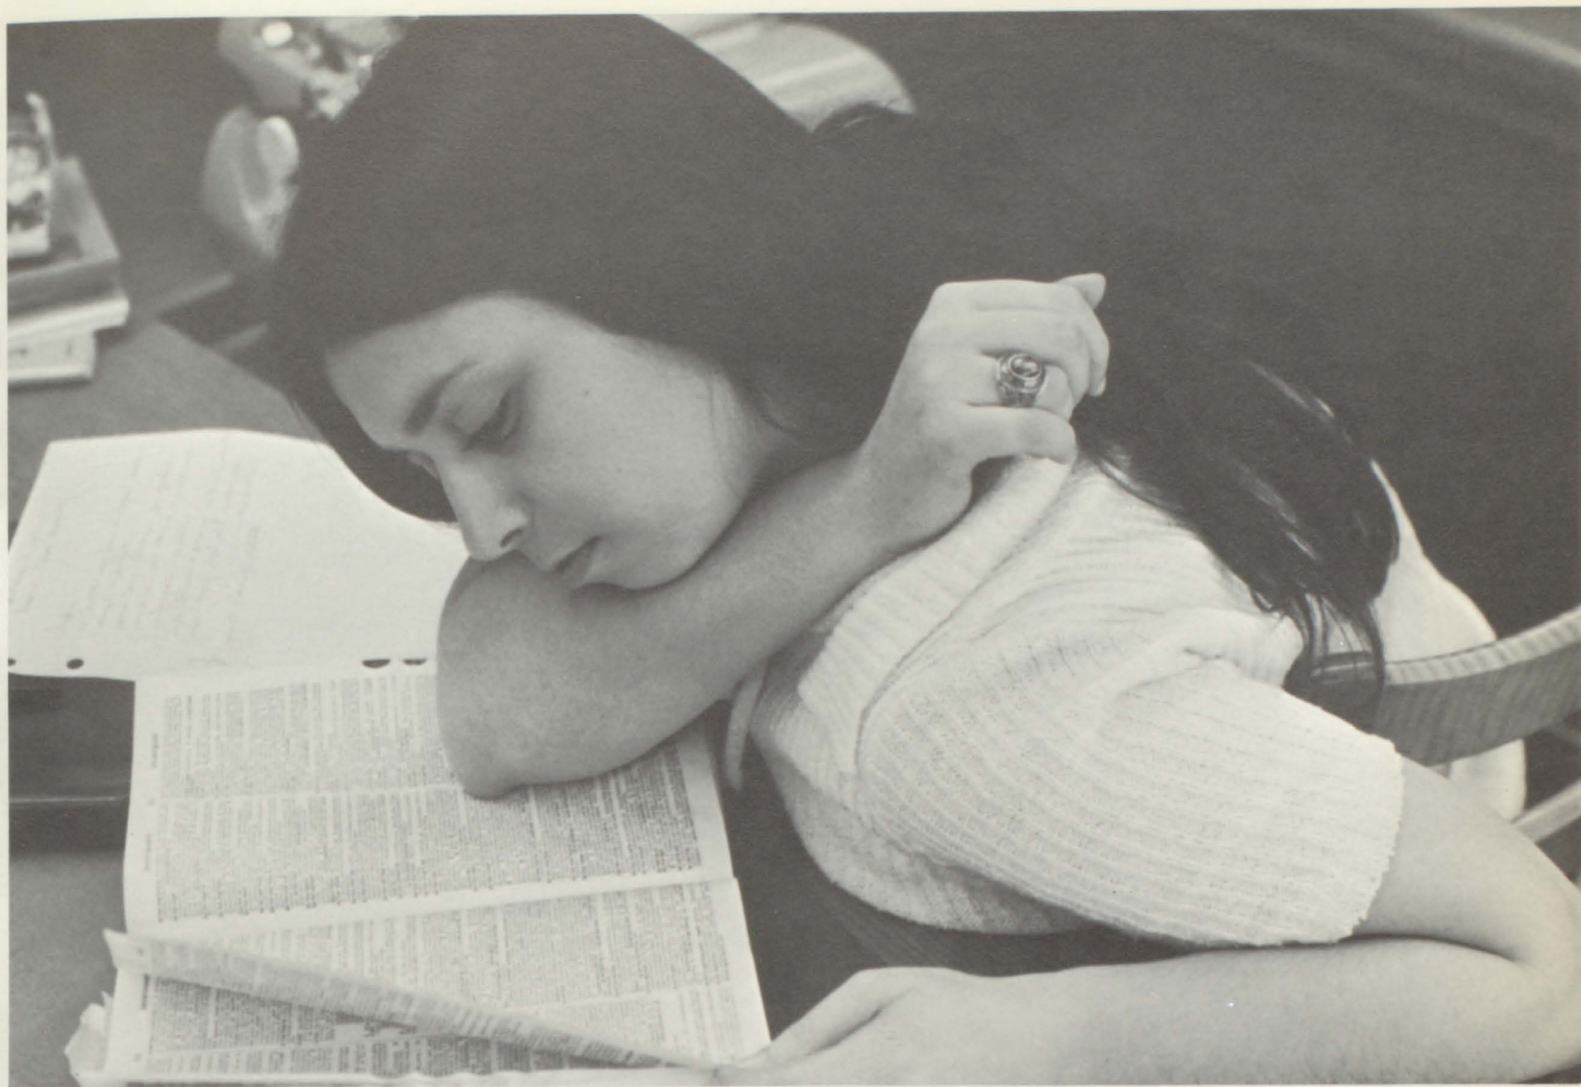

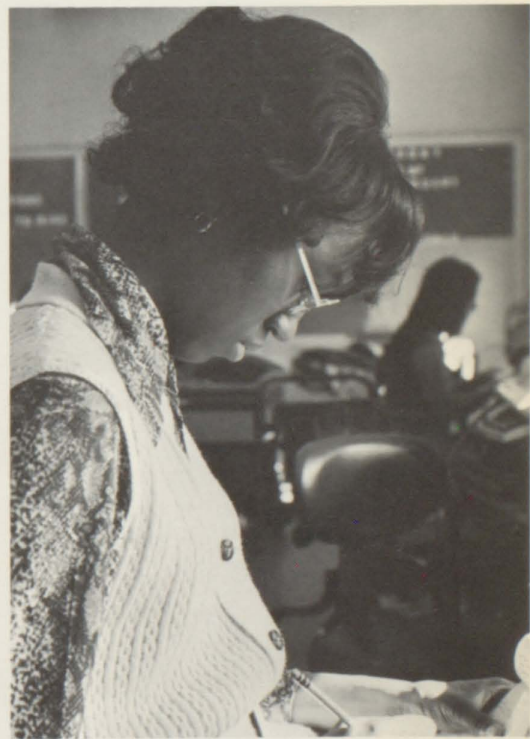

BUSINESS MACHINES

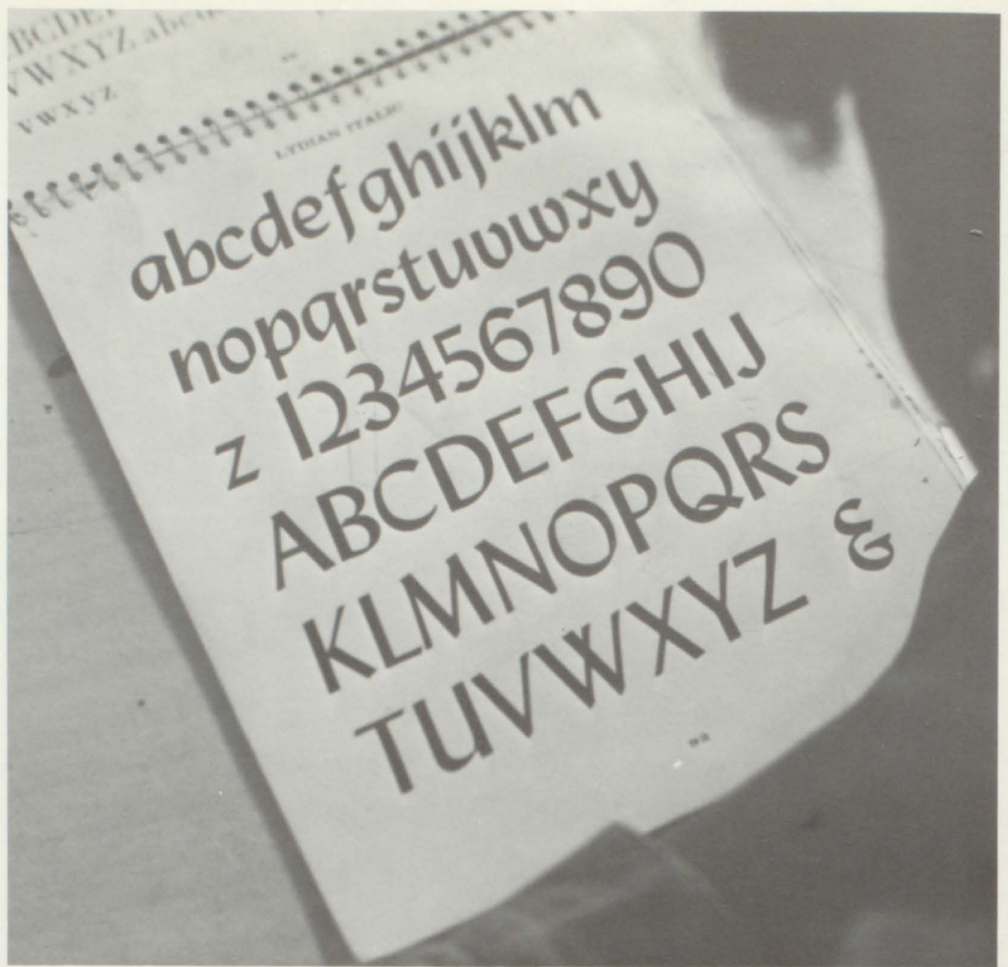

Addition — subtraction — multiplication — division . . . Our Business Machines girls are taught these 4 fundamentals as beginners in their course, then they learn to solve the most intricate problems. No wonder Essex High's B.M. students leave our school **raring** to enter the business world!

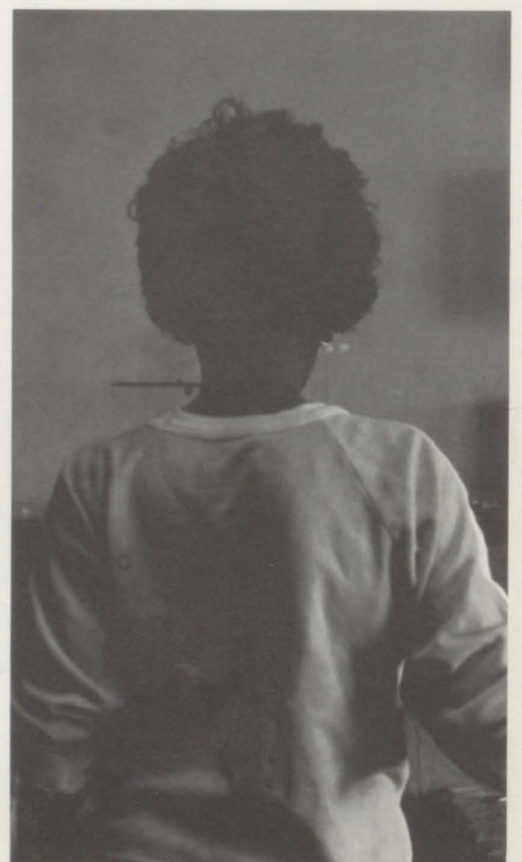

implacant?
No!

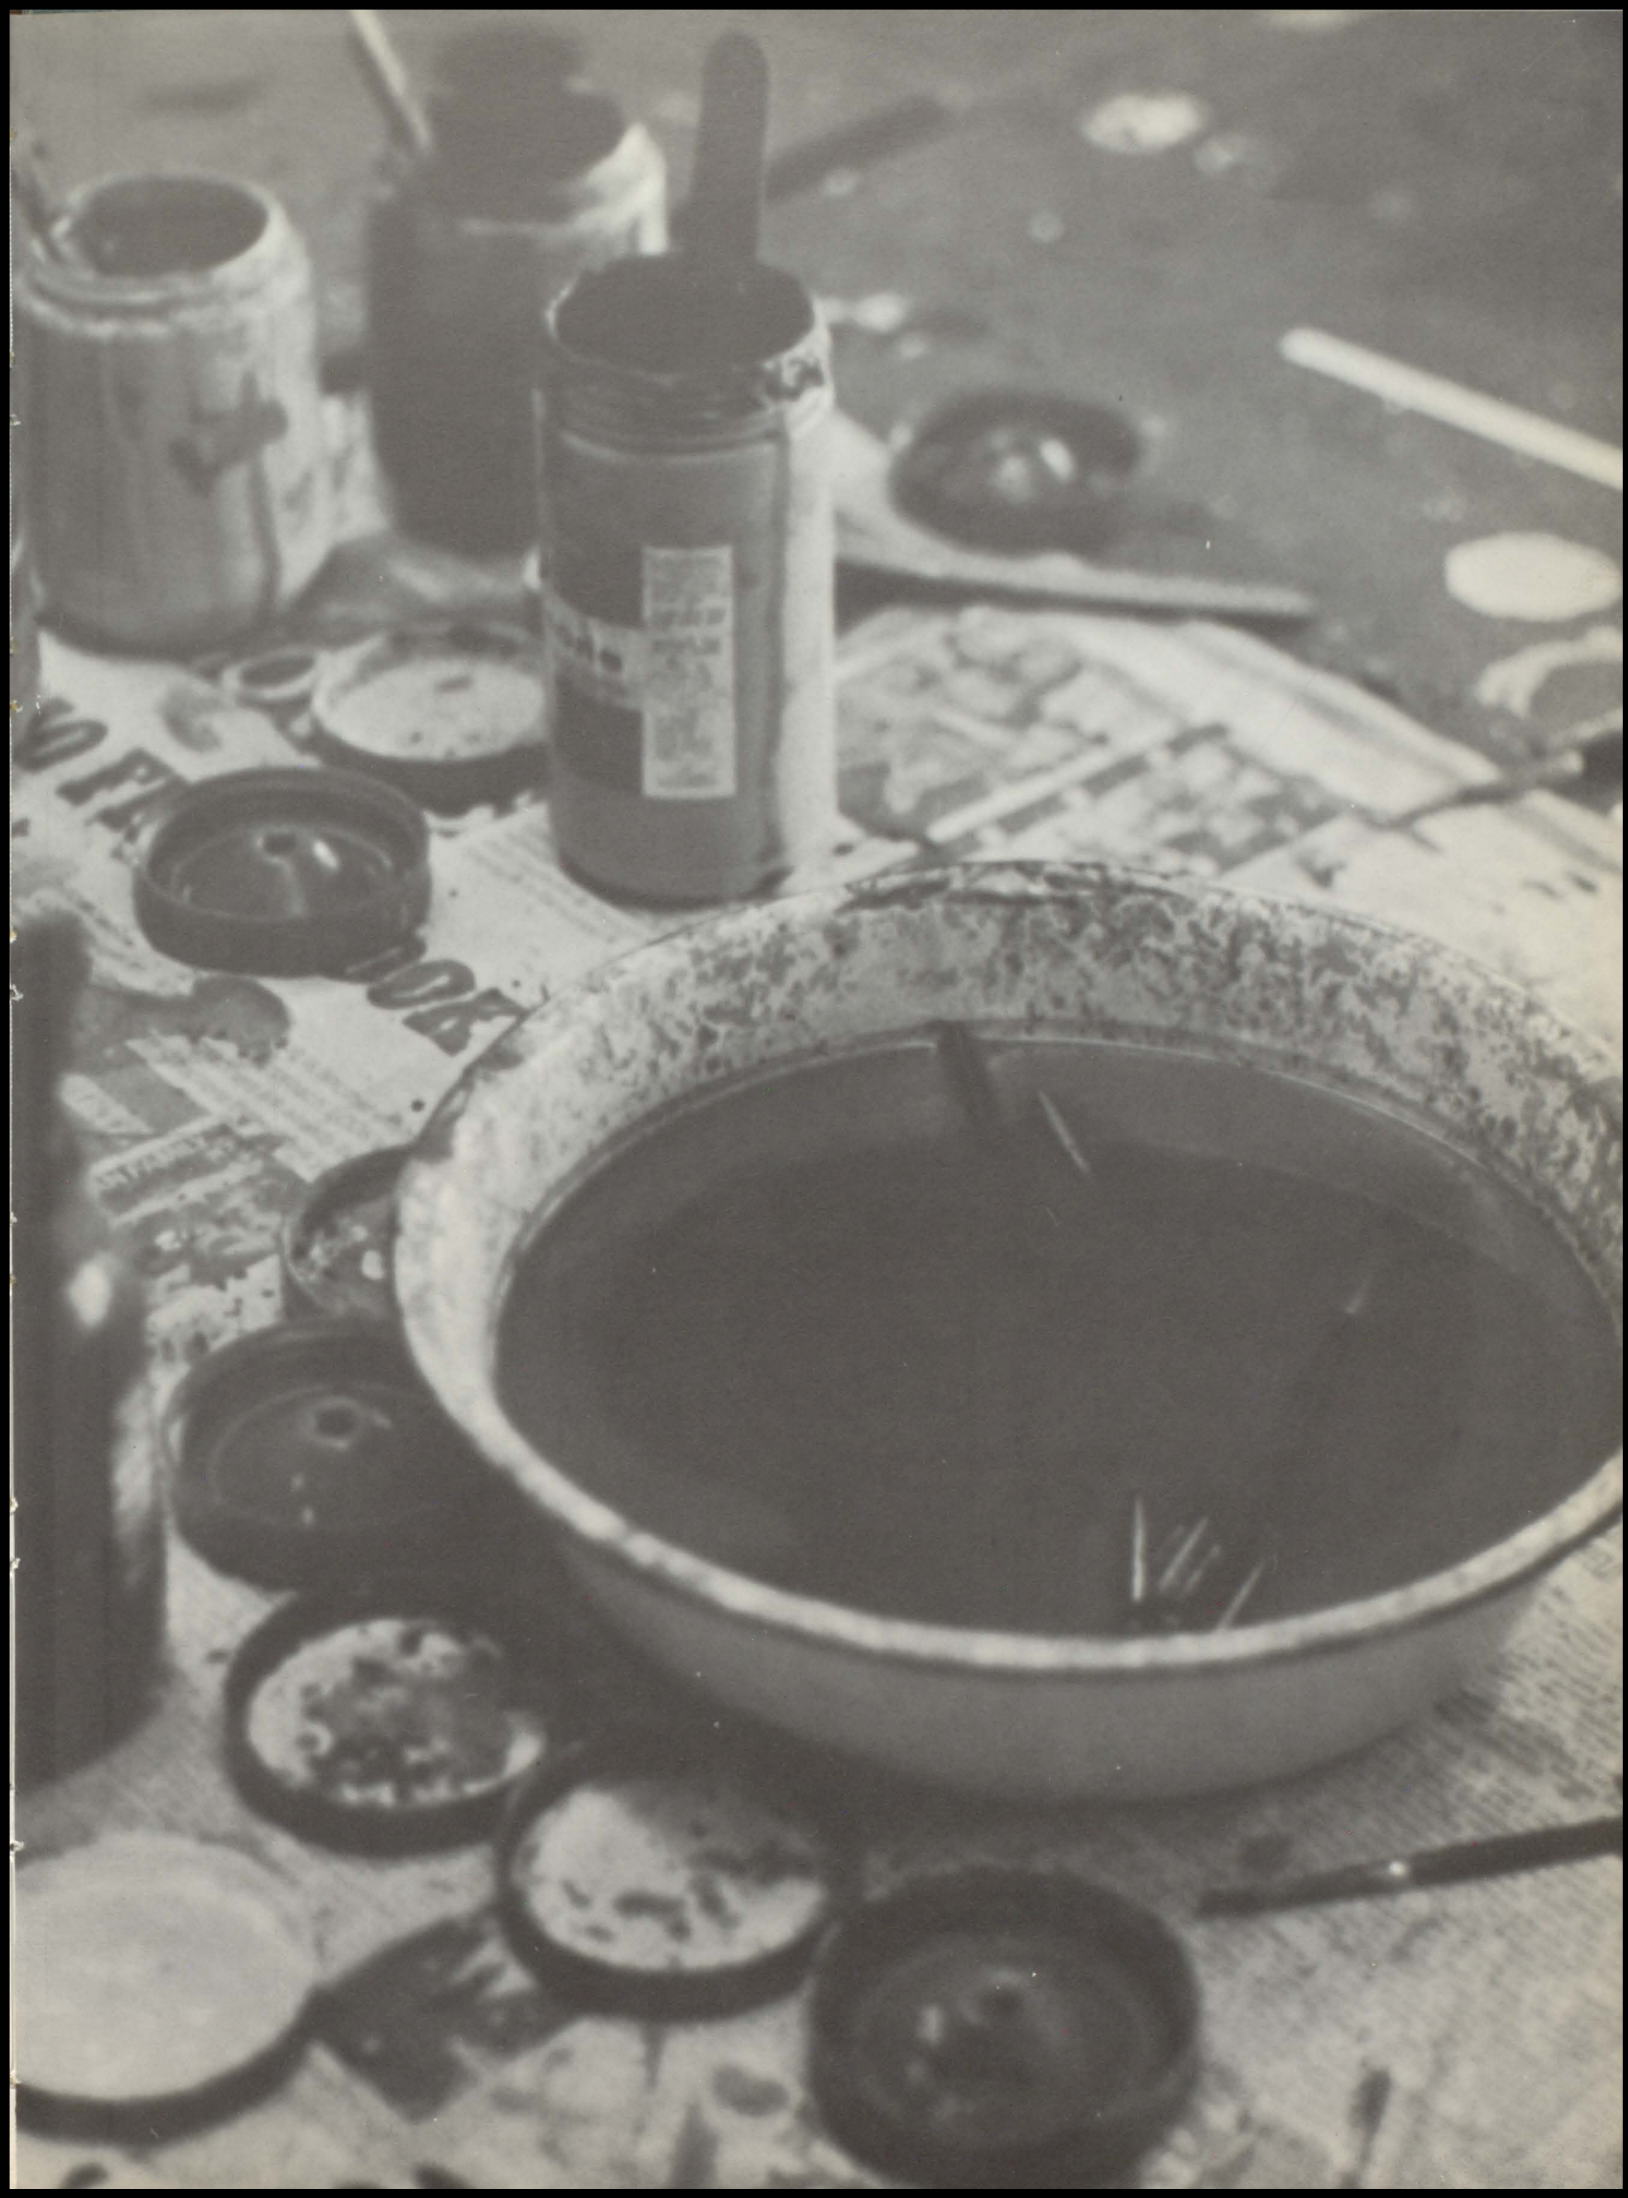

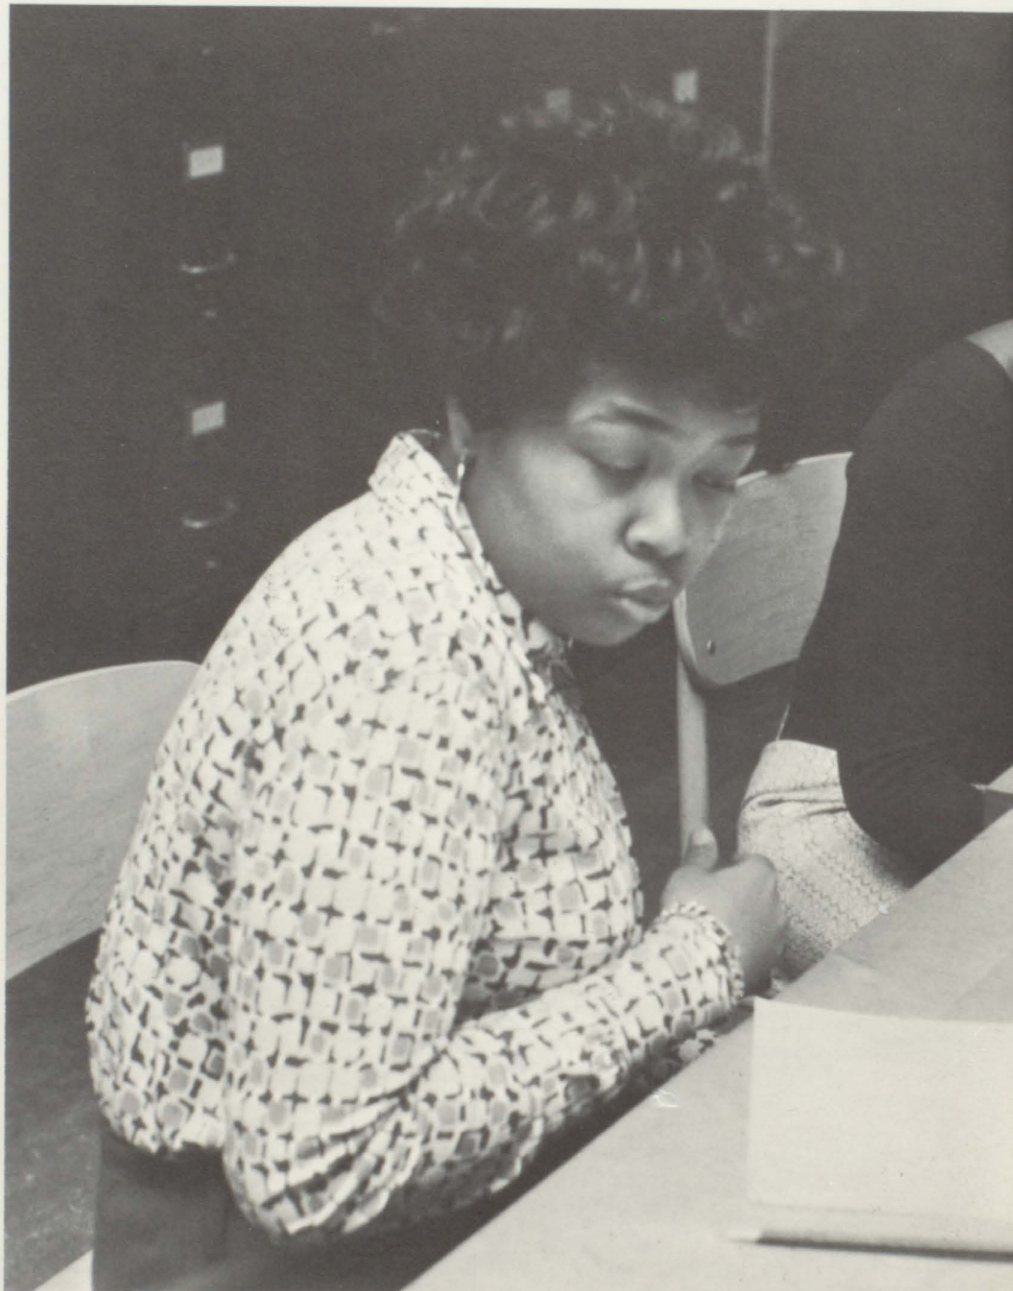

COMMERCIAL ART

Without our Commercial Art girls, Essex High would certainly lack its finely decorated windows artistic scenery. In their 3 years, these girls practice and apply their skills to the fullest. With the classroom as their workshop, it represents a perfect display of the students' talents.

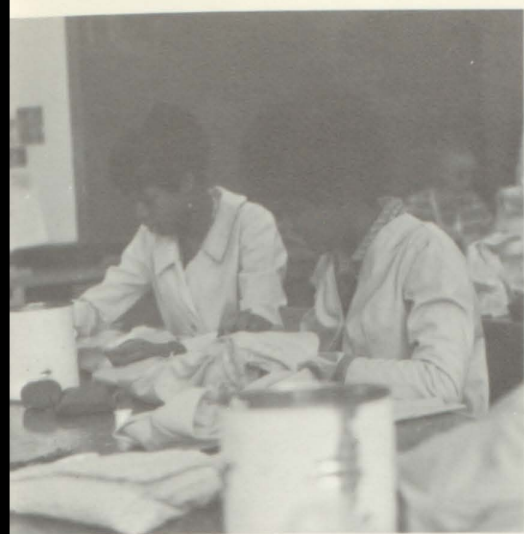

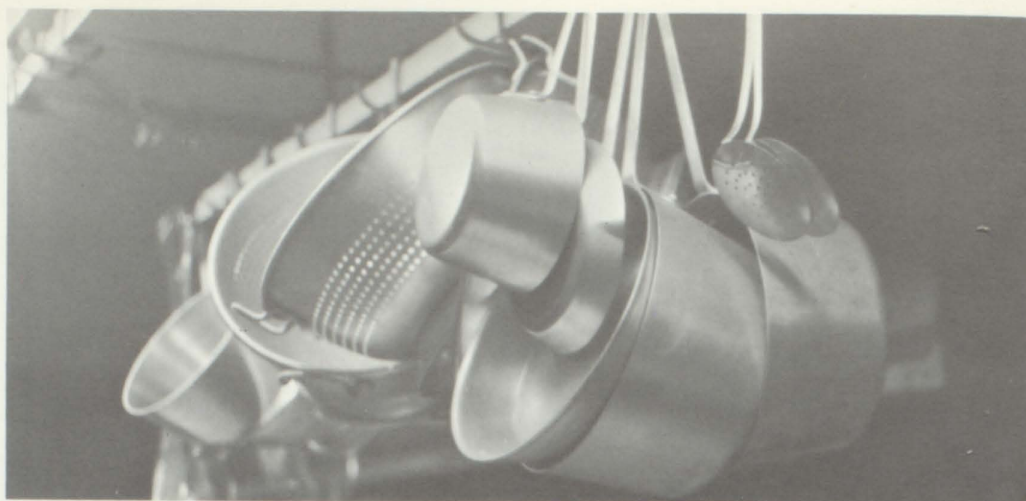

DRESSMAKING AND DESIGN

As sophomores, Dressmaking girls begin their training with seams, hems, and basic procedures. Then fashion designing ability mounts as Juniors. Senior year brings the girls' many talents to their heights, until they are thoroughly prepared to meet the exciting **WORLD OF FASHION!!**

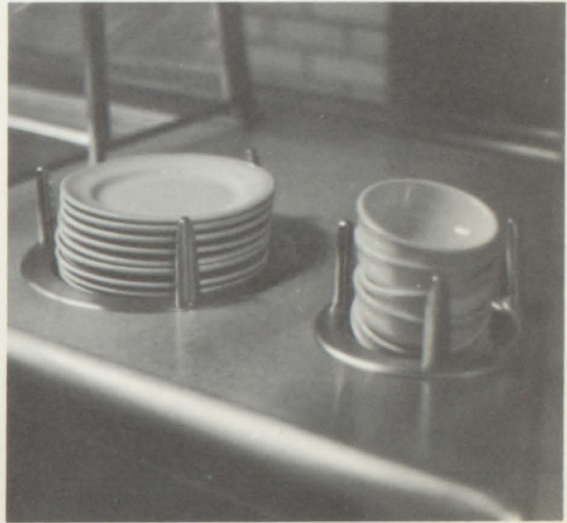

FOOD SERVICE

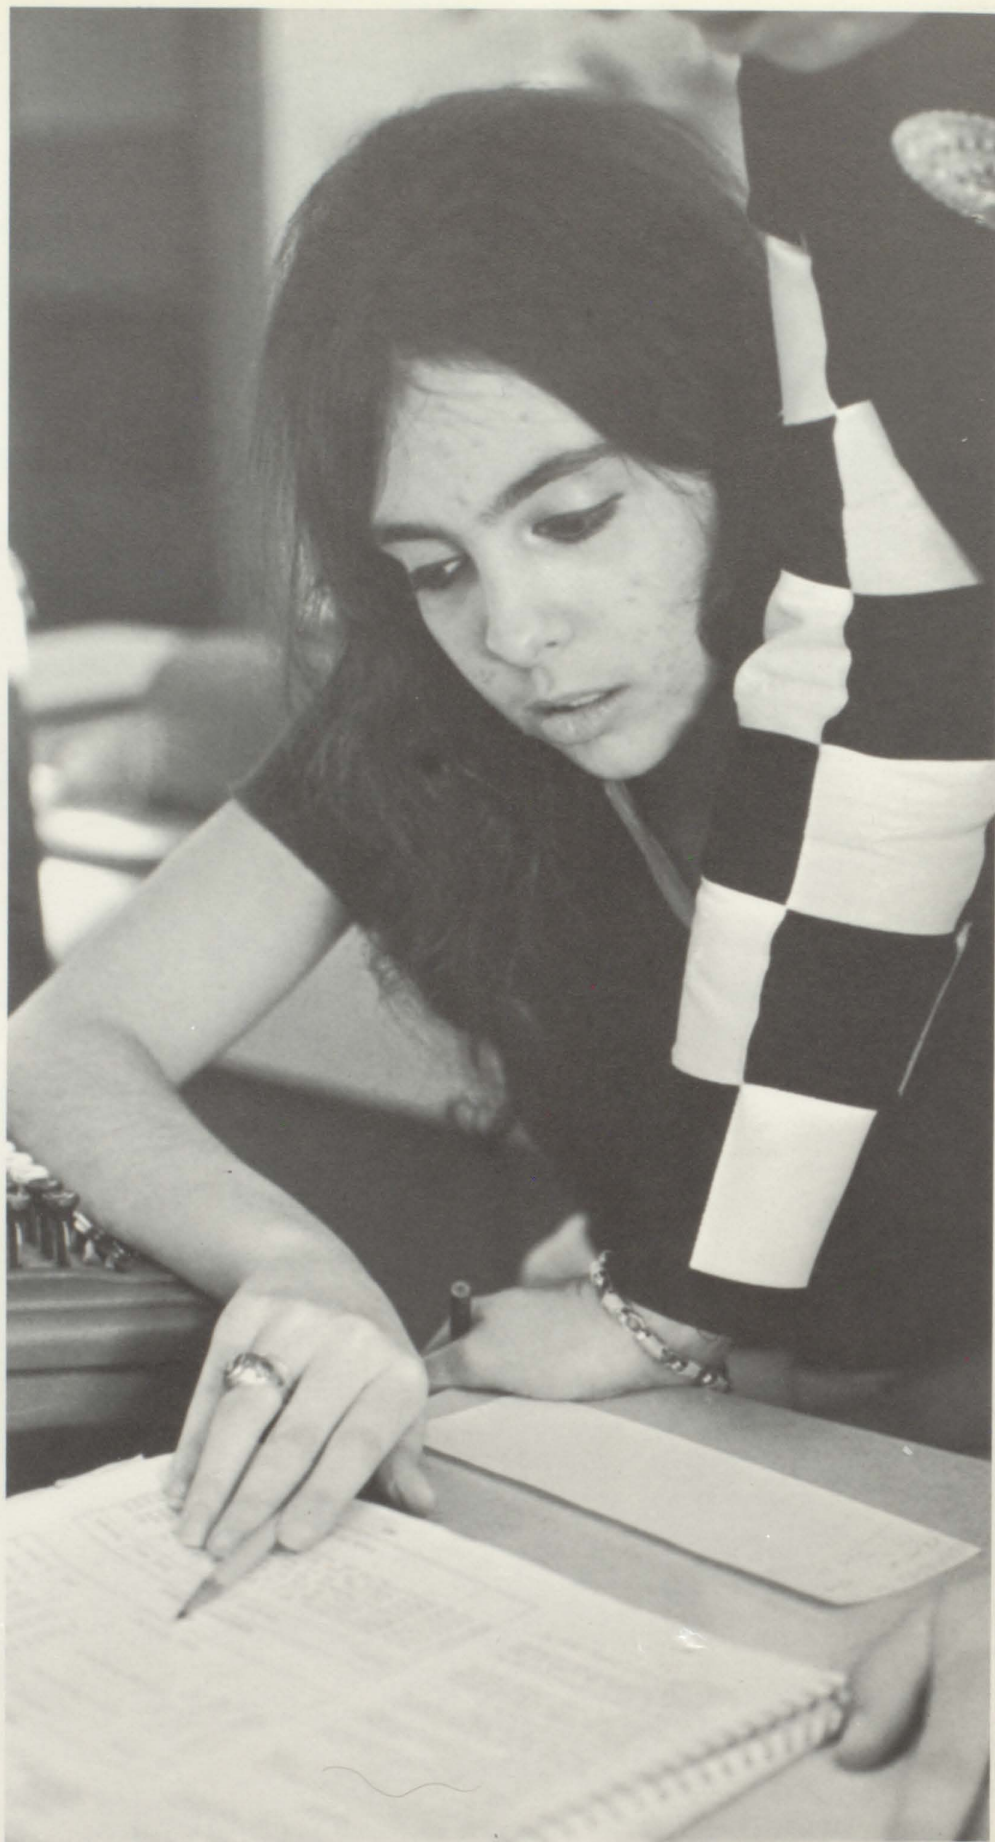

The Food girls are those brave souls who face the 11:40 "starvation scene" each day! Their knowledge of baking, cooking, and preparation of different dishes will certainly prepare them for their future positions. After graduation, girls from Essex High's Food Service Department attain jobs as dieticians, cooks, and other interesting jobs in the EVER-GROWING food industry.

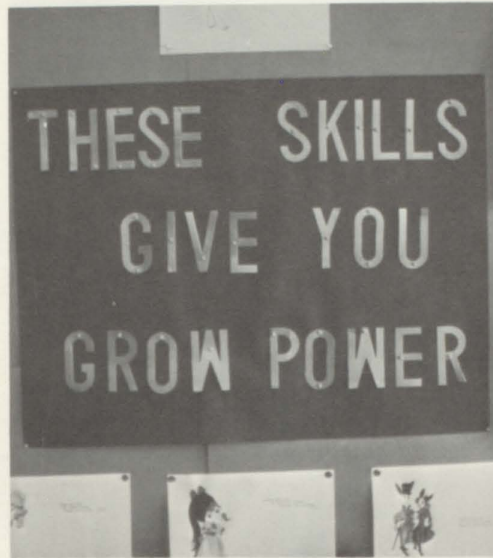

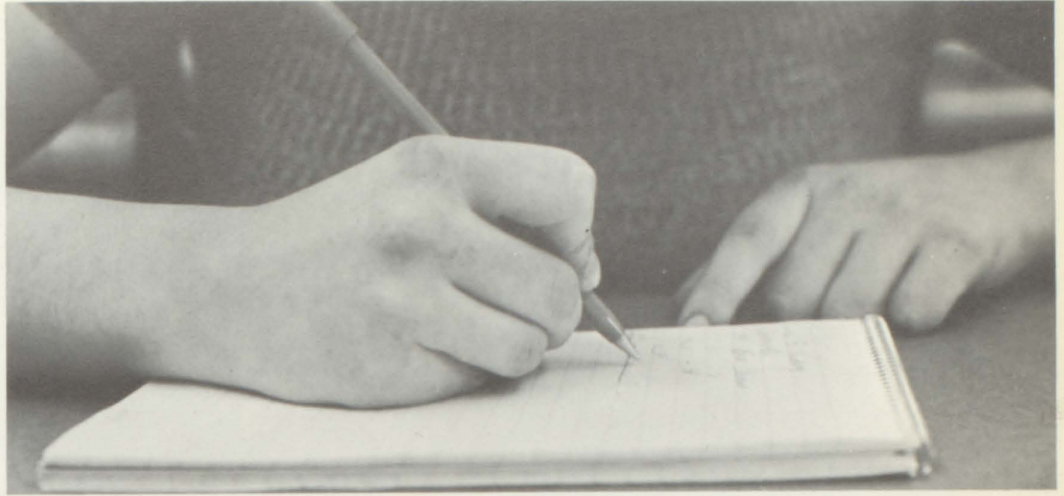

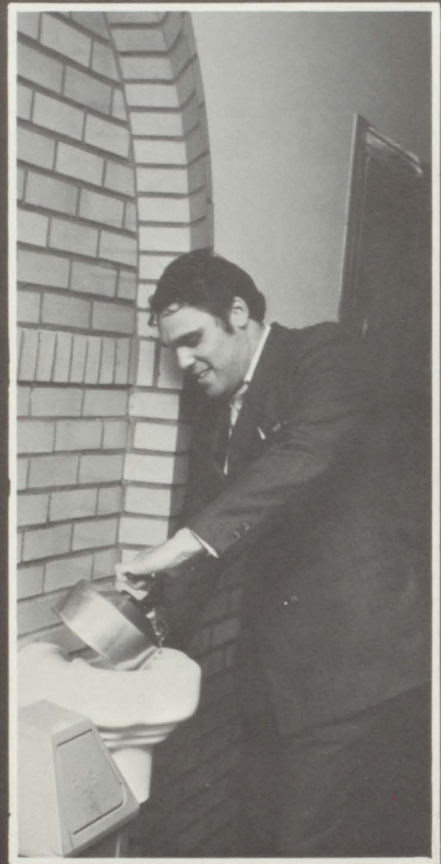

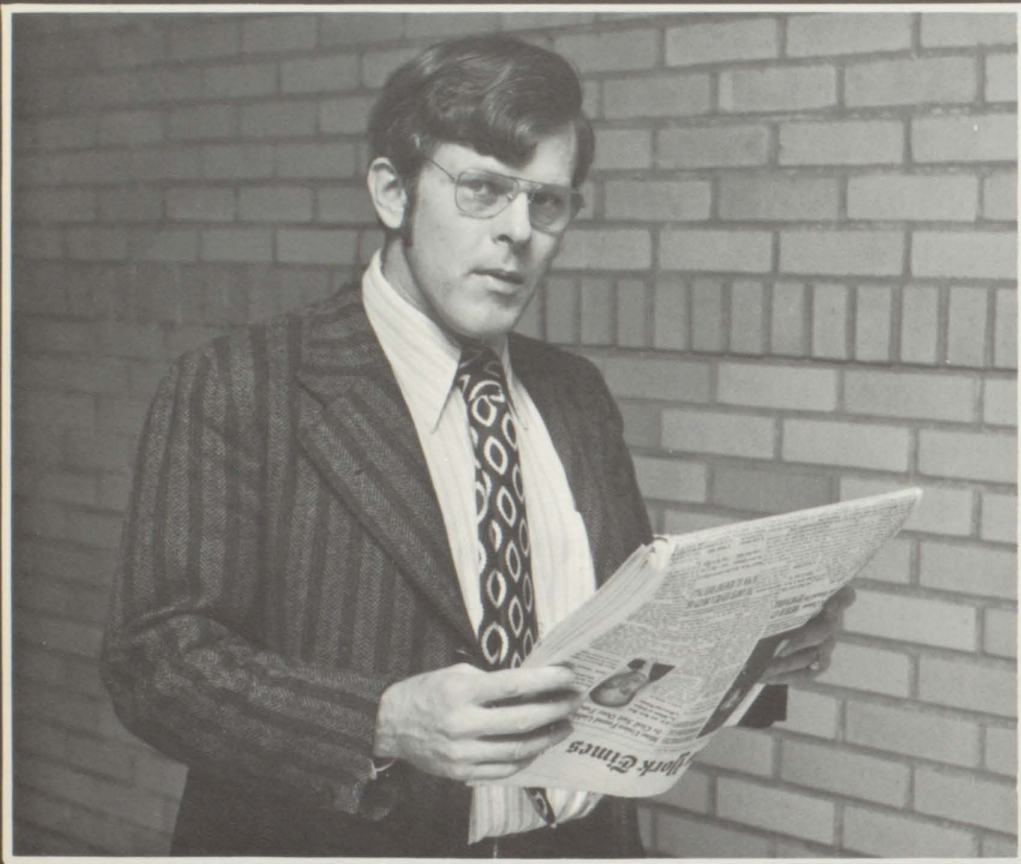

TECHNICAL SECRETARY

Our Technical Secretary's are exposed as Sophomores to many new and challenging skills. As Juniors, their skills increase, and their confidence begins to flourish. When a T.S. girl leaves Essex High, even steno seems like second nature! (And of course, that confidence is firm!)

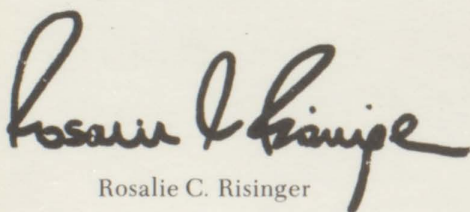

FACULTY

To the Graduates:

My sincere congratulations to each of you on reaching this important goal — your high school graduation.

We have attempted to provide you with valuable learning experiences to help you develop values, skills, attitudes and understandings for your life in this ever changing world.

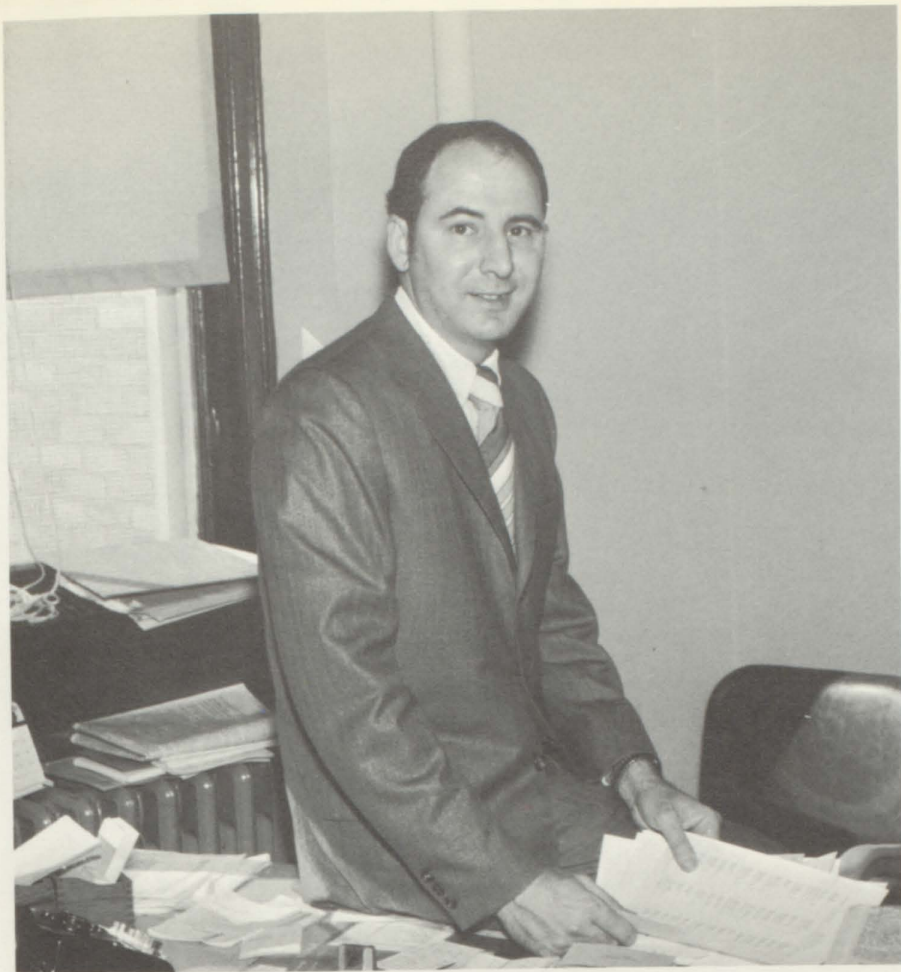

The future is yours. Face it with hope and courage and enjoy each day to its fullest.

Alma Mater

In our hearts there is a picture,
Shining bright and true.
It's a picture of our high school,
Our dear Gold and Blue.

For your honor we shall struggle,
On the Road of Fame.
Gratefully, dear Essex High School,
Singing loud your name.

Though the years that go before us,
Dim our memory.
Recollections of our school days,
There will always be.

CLASS OF 1971

20 years from now, in the year 1991:

NEREIDA ACEVEDO will be a successful language teacher. Her specialty will be French, with a Spanish accent!
KATHLEEN BARBARA ALLOCCO will open an Italian/American restaurant in Jersey City. Will it be tomato sauce on hot dogs, or sauerkraut on spaghetti?
GALE ARGIRO will win "Athlete of the Year" for her many triumphs in basketball.
ROBERTA MARIE BALAKONIS will mark the end of her "blue-jean era" on her wedding day, by wearing a dress!
ELLA LOIS BARR will take her place on the cover of **SPORTS ILLUSTRATED** as a model for women's tennis ear.
SANDRA BONGO shall be appointed as V. President of her firm, (consequently, she will marry the boss).
DIANE MARGARET BOYLAN will do a research project to prove that blondes do have more fun!
CYNTHIA ELLEN BROWN will be happily married to the mailman. At least she'll get her mail on time!
JENNIE BUONOCORE will be the proprietor of her own beauty salon. Her customers will be most attracting — all men.
EDITH CAMMARATO just announced the birth of quintuplets, and her husband is now on tranquilizeruplets.
MARYANN CAMPOLATTARO will receive her second crown of a lifetime. This one is for "Queen of Space".
MARIA CARDINALE shall be a wealthy computer programmer. Maria will prove that pushing buttons can be fun — in an all-male office.
LINDA CARFAGNO and her husband will be given a well-paying, but tedious job of painting faces on watermelon seeds.
CYNTHIA ELAINE CARNEY will design a magnificent evening gown of ostrich feathers. The only problem: In this space-minded century, we're hoping it doesn't fly away!
CAROL CASALE is the proud mother of three boys, all of high school age. Their names: Peter, Petey, and Pete!
DIANA CASTELLANO will once again take her stand as a leader in Essex High; this time as principal!
VERONICA CIOFFI will begin her reign as movie queen. With an impressive name like that, is it any wonder?
DONNA CATHERINE CLEMENTE will hold quite a different job in a well-known law firm. She will be responsible for oiling the robots.
BETTY ROSE COLAIOCCO will be a GRANDMOTHER with 1 granddaughter, 1 rocking chair, 2 scans of yarn; but, she'll still have her many admirers.
LILLIE COLLINS will be the Fred Astaire of her time. Introducing the "Moon-Walk", she'll really make a mint!
ROSETTA COLUCCI will take the place of the retiring Josephine the Plumber.
ANTONIA NANCY CONTE, hubby Toni, and their 12 children will star in a T.V. series entitled "Cheaper by the Dozen".
SUSAN MARIE CORDASCO will be a cheerleader for the "Over-the-Hill" football team.
BERNICE CRAWFORD will receive a movie contract, for a stand-in position for Joan Crawford.
JANET CUCCINIELLO will shorten her name to "Cuchy", so as to save space on her credit cards.
LINDA SUSAN D'ALESSIO will be awarded the Best Typist of the Year award — two finger typing didn't stop her!
RITA D'ALESSIO will be allotted \$5,000 to raise her 22 kids — all of them goats!
DEBRA DAMITZ will be the author of a cook book. The name: "How to Win Friends With Garlic".
PAULA DELLOSSO shall be named "Mother of the Year",

and with her 18 children, she just may be named "Mother of a Lifetime".

ANNETTE DePALMA will take a lot of weight off of her shoulders; she will finally cut her hair!
JOYCE ANN DeROGATIS will be planning a wedding. No, not a 38 year old bride — a 38 year old mother-in-law.
BARBARA ANN DeTROLIO will be the dean of a new college — F.S.U. (Fly Swapping University).
DEBRA ANN DOLIAS will be dormitory chairman of St. Bonaventure College. Interesting, no!??
SANDRA ANN DONOFRIO and her spouse will reside in a glass house. They will want to make sure no one casts a stone upon them!
MARTHA DOTO will still be swinging! It looks like mama and "Papa" will never get old.
PAULA THERESA ELIA shall finally put her **talking power** to use when she becomes a lawyer.
GERALDINE BERNADETTE EMMERSI will be among the first to try living on the bottom of the ocean. Let's hope she comes up for air now and then to visit!
THERESA ESPINIERA will revise an old 1971 hairdo called the Shag!
PHYLLIS MARTHALIA FENNELL will be married to the richest barber in the world. Phyllis should consider this quite an accomplishment for her husband, since the majority of the people will be bald!
FLORENCE ROSE FERRARA will have hair down to her ankles. It's a good thing Flo is talkative, or she might be taken for an "It"!
LOIS ANN FERRARA will win the Newark, N.J. lottery. Her prize will be a truckful of vegetables, grown in the Garden State.
MARGARETANN FILANDRO shall be named "World Connoisseur of Salami". Joe will be proud of her title, but not of her breath!
LINDA MARIE FORD shall become the chairman of the E.F.M. movement. (Equality for Men . . . times have changed, huh?).
ALANA MARIE FORTE will be a "cosmonut". No, not a flying space woman, but a swinging cosmetologist!
ANNE FREDA's son will open a clothing store in Pakistan called "Dennis-son's".
PHYLLIS FREDA shall decide to use her singing talent at an Essex High Alumnae Dinner-Dance. Will anyone show up??
AMANDA FREEMAN will cause a stock market boom with her introduction of the Sukie Paper Company.
CYNTHIA GALENTE will go "out on a limb" to make herself known. (As a windowwasher, it will not be too difficult.)
TONI GARDNER shall be working for our government, as a gardner in front of the White House.
MARIA VERONICA GIULIANO will prove that she's still as reserved as ever! As a converted Indian, she'll be residing on a reservation!
GLORIA CARMELLA GRANESE will be campaign manager for a close friend. The campaign slogan: Marty Mars for Mayor!
MARIDA BETTY GRANT will create a new "life-saver" — pizza flavored!
BARBARA LEE GRAUEL will have a job picking sesame seeds off of rolls and feeding them to her boss' fish.
HELEN BENNETTE GREGORY will be employed two months a year, stringing popcorn for the tree in Rockefeller Center.
ERNIECE HAMPTON will open a beauty salon in India.

Let's hope that the women stop wearing veils!

AVIS HENDERSON will be editor of her own newspaper. Avis does try harder!

ANNETTE IANNARONE will be called upon during a power failure, to light up the room with her ice-blue eyes.

LAURA INSALACO will be the proud owner of an antique car — a 1971 Riviera!

JAMIE JOHNSON will travel to Italy, but will find it hard to convince them that with her blond hair and green eyes, she really is Italian!

LINDA JOHNSON's husband still will not understand how Linda is such a great cook. Linda will keep her Foods training a secret!

PATRICIA ANN KENNEDY will take a trip to Washington to view the many monumentary buildings; she will probably receive many free passes!

DONNA MICHELLE KIRKLAND will return to Essex High to take Mrs. Luckert's place as a sewing teacher.

MARY ALICE LAMPLEY will open an orphanage in Alaska. With Mary's sewing talent, we KNOW they'll be well-dressed!

DEBORAH ANN LAPOLLA will be busy working on a formula for hair growth. This will be great for when the "Watermelon" hair(?) style goes out.

TERESA LEONE will be sweeping her way to the top in the dressmaking world, to live up to her title as "Most Likely to Succeed".

DIANE LEPORE will decide to render a service to society by forecasting their future in her spare time!

ADRIAN LINARDUCCI will seek for a job as "Boss' Buster" to remind her of her high school days as "Teacher's Terror".

ELIZABETH McGRADY will really make headway in the fashion world. Not only will she design and make the "Outfit of the Year", she'll also model it.

GLORIA JEAN McINTYRE will win "Playmate of the Month". This tricky title will be obtained through her passion for playing games with the 4 yr. olds on her block.

To the class of '72 we leave the following:

LAST WILL AND TESTAMENT

- ... enough bread to cover the mounds of peanut butter on the peanut butter and jelly sandwiches.
- ... portable umbrellas to cover the garbage cans in the third floor hallway.
- ... the cold snowy mornings for you to ask yourself, "Is there or isn't there?"
- ... the cheerful welcome if caught on the third floor before 8:15.
- ... a can of air freshner for the shower room.
- ... a laundry service that supplies soft towels.
- ... ten copies of each best seller in paperback to the library.
- ... Mrs. Risinger crying for money throughout the magazine drive.
- ... the prison gates going up a 11:40, so no one can escape.
- ... the ritual of removing your weapons before gym class.
- ... the pleasure of getting Mrs. Torppey a drink of water.
- ... Miss Edmison's wheelchair therapy.
- ... the creepy crawlers in your gymsuit pockets.
- ... the many backed up drains, leaky faucets, and other good signs of plumbing.
- ... each couple their very own chaperone at **the** dance.
- ... each girl a plastic rainhat for those unexpected fire drills.
- ... Lorstan's dedicated photographers.
- ... plastic forks with all their teeth.
- ... a phone booth big enough for dialing with your fingers instead of your nose.
- ... every girl a pair of roller skates for those late warnings when you miss the bus.

Dressmaking

Seriously, my name really is Louis Louis!

Thank God, it's Friday!

What a relief . . . only one cavity.

Hello, Dere.

You're kidding . . . you broke another machine?

Oh please, five more minutes.

Is it 3:15 yet?

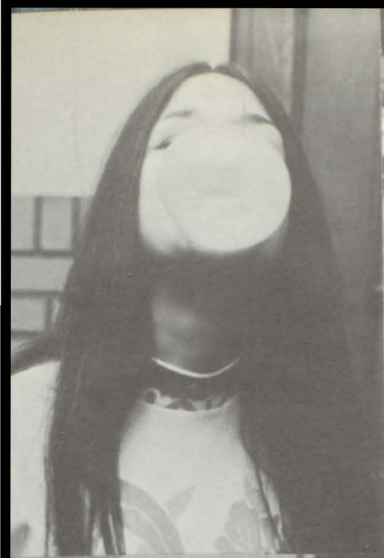

You remind me of my sister.

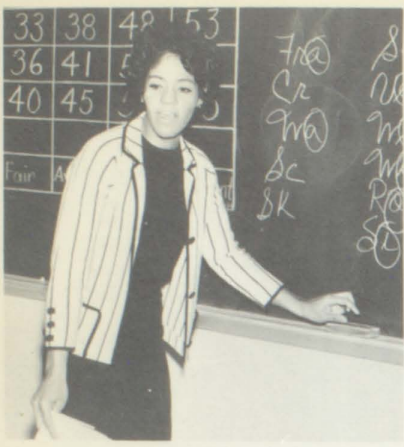

I'll never share my secret!

It wasn't that funny!

"Never mind what it means, just copy it."

This is the right book, isn't it girls?

If I see one more test paper ...!

I just love your new dress.

Is there a doctor in the house?

Your appointment wasn't until next week.

"Let me check."

Maude, what was that recipe?

First put the keys in the ignition.

And — it's only 8:30.

A nice cup of tea, perhaps?

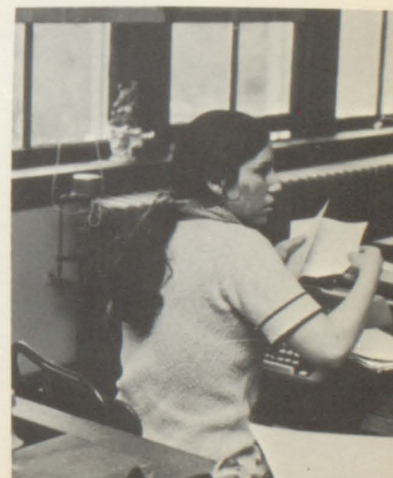

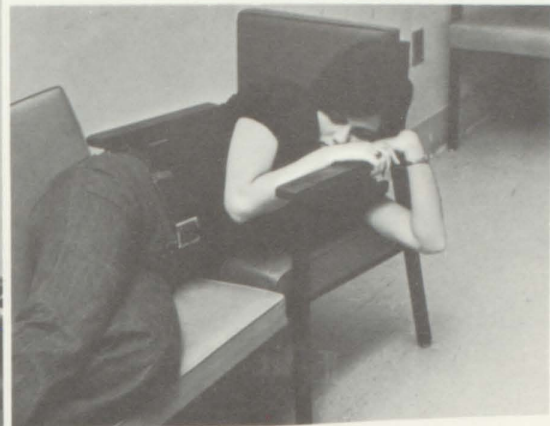

And where were you yesterday?

Women's work is never done.

I think she stopped breathing.

How could you possibly spell your name wrong?

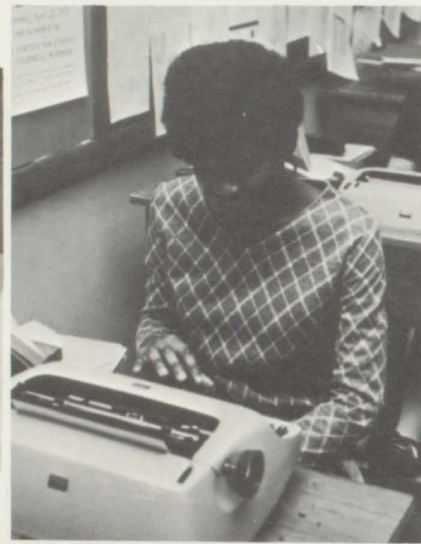

A PARTING THOUGHT

We pass through life only once. It is good to be able to look back on yesterday and say "it was a good day" for that is MEMORY. It is even better to be able to look at today and say "it is a good day" for this SUCCESS. Best of all, is to be able to look at tomorrow and say "it will be a good day" for that is HOPE. My wish for you all as you graduate is that every day you will be able to say "it's great to be alive, to be me and to be doing what I'm doing right now."

**Look to tomorrow.
And talk to us today.**

Now is the best time to think about tomorrow. And decide what you'll do with all those fast-approaching days after graduation.

At New Jersey Bell, we've helped more people like you make the right decisions. With jobs they've enjoyed for years. Because they were well-trained to meet the future.

And, at New Jersey Bell, we'll always need people like you. Because we're growing fast. With lots of opportunities for you. Helping get all the calls through, seeing that customers get the service they need, or keeping our offices running smoothly.

So talk to your Guidance Counselor today. And set up an appointment at your nearest New Jersey Bell Employment Office. We can show you how good your tomorrow can be.
